

Products & Manufacturers Proudly Represented

GRUNDFOS

Full range of hydronic circulators and pumps, hot water recirculation pumps, and booster pumps.

DIVERSIFIED HEAT TRANSFER

Commercial instantaneous and semi-instantaneous water heaters, heat exchangers, and tankless coils, as well as HVAC coils and replacement tube bundles.

PEERLESS BOILERS

Hot Water & Steam Power Fired & Atmospheric Case Iron Boilers.

AMERIFLO

Integrated hydraulic systems, centrifugal pumps for fire protection and non-fire protection applications. Pump types including end suction, vertical inline, split case, and vertical turbine pumps.

BEACON MORRIS

Residential and commercial kick space heaters, convectors, gas & hydronic unit heaters, floor vectors, cabinet unit heaters and commercial finned-tube. A division of Mestek, Inc. Manufactured in the USA.

CANATURE WATERGROUP

Water softeners, filters, reverse osmosis systems, and ultraviolet disinfection systems.

THERMAL INMOTION

Mobile Hot Water & Steam Rental Boilers, Tanks & Shipping Containers.

TEKMAR CONTROL SYSTEMS

Control solutions for radiant, snowmelt, multiple boilers, DHW, and solar thermal.

LAWLER

Thermostatic mixing valves, including ASSE 1017 master mixing valves, ASSE 1070 point of use mixing valves, and emergency tepid water solutions.

AO Smith Residential and commercial tank-type electric, atmospheric gas, and high efficiency gas water heaters, storage tanks, electric and gas tankless water heaters and gas tankless rack systems.

LATTNER BOILER MANUFACTURING CO.

Fuel-fired vertical tubeless steam boilers, fuel-fired horizontal firetube steam & hot water boilers, electric horizontal steam boilers, electric cabinet style steam & hot water boilers, steam room boilers.

UNITED BRASS WORKS

High-quality industrial valves, including boiler, fire protection, and steam valves, as well as brass casting components.

ECOM

Industry leading combustion, flue gas and emission analyzers

DP PUMPS

Stainless steel pumps, vertical and horizontal multistage pumps, end suction, sewage pumps, drinking & process water booster systems, fire fighting booster systems.

AXIOM INDUSTRIES

Glycol and system feeders, chemical bypass feeders, condensate neutralizers and pumps, demineralizers, boiler treatment chemicals, and other specialty hydronic products.

LOCKWOOD PRODUCTS

Blowdown separators, surge tanks, boiler feed systems, deaerators, and condensate return systems

AMERICAN WHEATLEY

Hydronic HVAC products, including tanks, valves, air separators, and heat exchangers.

SIEMENS

Combustion Controls, Plant Master Controls & Linkageless Burner Management Systems.

DANFOSS

Compressors, valves, pumps, sensors, and electronic controls.

HEATMIZER

Exhaust heat recovery systems

AMTROL

Thermal expansion tanks, water heaters, well tanks, and water hammer arrestors, serving both residential and commercial markets.

KEMCO SYSTEMS

Water reuse/recycle, wastewater treatment, wastewater filtration, efficient water heating, and high-pressure pumping.

REIMERS ELECTRA STEAM

Commercial and industrial electric steam generators and boilers, and electric hot water boilers.
